

## **7.1. Institutional Values and Social Responsibilities**

### **7.1.5**

**Green campus initiatives include the institutional initiatives for greening the campus**

**Geotagged photographs of the facilities**

## 1. Restricted entry of automobiles

To prevent vehicles from entering the campus, our Institution has established a restriction on automobile admission. Staff and students are motivated regularly for pollution free environment. This initiative helps in pollution check and consumption of petrol.

## 2. Use of Bicycles

In order to have green and pollution free campus, the University takes several measures to control pollution. One such initiative is encouraging staff/students to use bicycle or battery-operated vehicles for commuting to the University. Separate parking space is provided for the students and staff to park them.

## 4. Ban on Use of Plastic

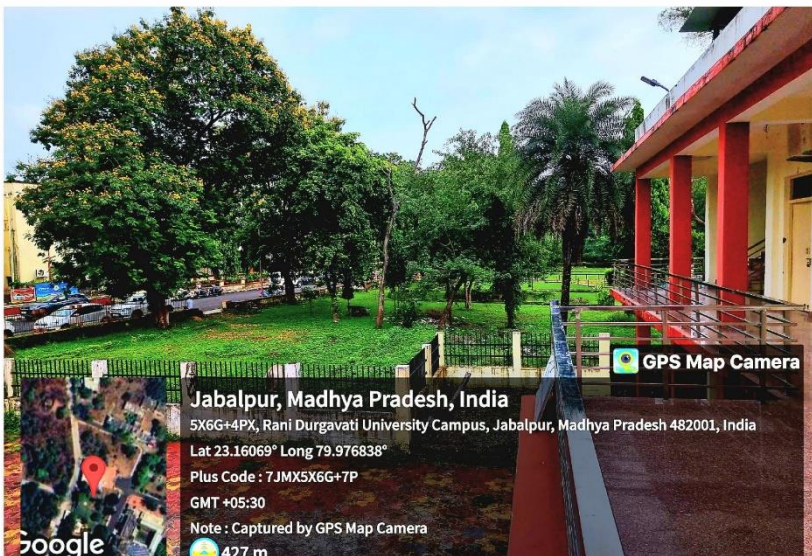

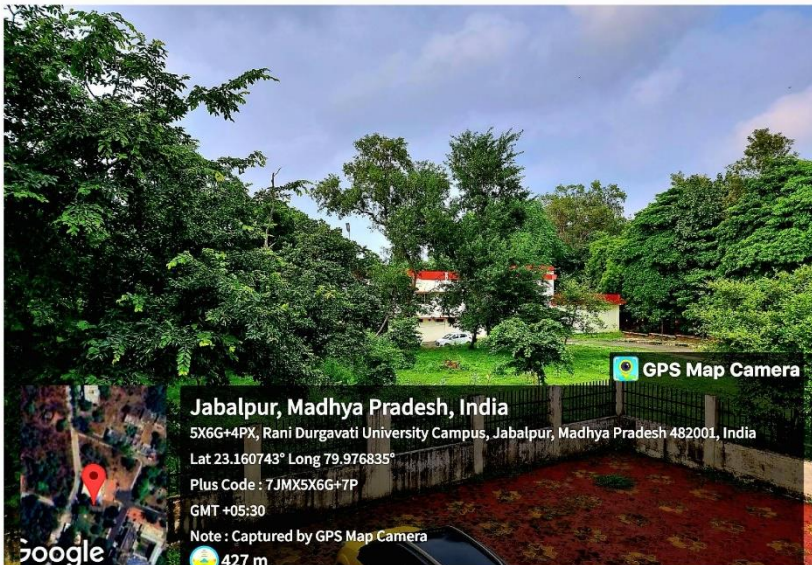

Much efforts have been made continuously by the Institution to minimize the use of plastic in the campus. Students and Staff are encouraged to avoid plastic in any form. Signages on 'Ban on Plastics' are wall mounted at many places inside the campus.

## 5. Landscaping

Rani Durgavati University, Jabalpur is also known as Lungs of Jabalpur due to its green environment. Our Institution is more concerned with keeping a green campus and being environment friendly, which ensures that pure oxygen is available throughout the campus. The campus has been made greener by many plantations, providing a healthy and pollution free environment for students to learn and staff to work.
