Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Moving towards paperless office	It was decided to initiate Go- Green activities in the campus. One of the initiatives planned was to move towards paperless office. The university is gradually moving towards paperless office. Most of the communications have been made digitally viz. with examiners, with paper setters, with students, with faculty including circulars and notices. Apart from ecofriendly practice, it has yielded in great reduction of expenditure.
Adopting digital business procedure	It was planned to reconsider the Ease of Business procedures in the University. Moving with the advancement of IT and other digital technology, university has arranged for students to interact digitally. Student admission, enrolment, migration, fee deposit, certificates, examination forms etc are processed digitally. The staff salary is digitally managed.

Upgradation of ICT in Academics.	It was planned to intensify use of ICT in university teaching and research. University provided 100 mbps bandwidth to all the departments including support centers to achieve this target. The arrangements were made to conduct online classes and digital reference collection at library.
To train faculty in better syllabus formulation	Training programmes conducted
To increase sensitization towards NAAC and NIRF grading	Sensitization programs conducted
Ordinance for UG and PG to be formulated in light of NEP	New upgraded syllabus launched

Plan of action for the next academic year

1. To motivate the faculty to apply for projects funded by national and international agencies.
2. To organize webinars, Seminars and Workshops as per NEP 2020 special focus on Multidisciplinary and Holistic Education, Skill Development and Employability.
3. To upgrade institutional website as per the NAAC requirement.
4. To obtain funds for our green initiatives from government agencies.
5. To conduct more placements drives to provide job opportunities to the students.
6. To strengthen ICT and augment the infrastructure facilities in the university.
7. To increase the publications of the faculty by giving workshops on publishing.
8. New Sports complex and Indoor Stadium under the Smart City Project will be functional next year.
9. Institutional Research Fellowships to doctoral students' and Institutional fellowships to bright doctoral students.
10. Creation of socially relevant knowledge and transferring that knowledge through the various teaching programmes and field action projects with the goal of empowering students to build social science theories and find actionable solutions for people's problems.
11. Collaborations with universities, civil societies, and government organizations to nurture scholarship and talent.
12. Engagement with the State, Society, and industry through training and capacity- building initiatives, partnerships.
