Event Description:

English Language course was conducted by Remedial Classes , RDVV, for the students of University Teaching Departments.

The course was aimed to encourage the students to learn and explore Spoken English Skills to enhance their communication skills. Education is very important to improve yourself but English improves the quality of life. To face the interviews and for competitive exams, English is very important. Students can have access to jobs that he/she could not even take into consideration, they can evaluate an international career and can live in many countries with the ease of being able to go shopping or negotiate rent for the house. The benefits it brings in the life of a person's knowledge of English Language are countless. English Language is able to remove a lot of barriers including cultural ones.

Dr: Pragya Gupta, who has been in the field of teaching language had conducted the sessions for students from 20th December 2016 to 20th January 2017.The sessions included both theory and

practical learning in which students were first taught the basics of English Language and later were made to speak at the desk by giving them some topics. Students were asked to participate in speaking exercises and games specially designed by the experts to enhance their English Language Vocabulary and also to remove the fear of speaking English in front of everyone. Dr. Prashant Mahajan had provided guidance regarding topics like how to enhance vocabulary in English Language, how to find good literature to read, importance of English writing and more and motivated students to increase their command over English speaking and he had also helped the students to remove stage fear while speaking English.

Students were much benefitted by the course. Hindi medium students were able to clear their doubts from the experts. Students were more Knowledgeable and confident after attending the course.
